FEATURING THE WORLD'S  
BEST NUDE PHOTOGRAPHERS

White  
ISSUE

PINO LEONE THOMAS FREYER MARC BOILY

Greetings Nude fans,

Thank you for returning for another issue of Nude Magazine.

We appreciate you helping make this all come to life. Inside the pages of our White Issue are images overflowing with simplistic beauty, sure to intrigue the mind and leave you speechless. It may look as if simple is easy, but I can assure you that is not always the case. Some of the most simple looking photos can take much planning and expertise to create, We are not featuring the works of amateurs but of the real professionals paving the way for the new age.

We are so impressed issue after issue by the artists and their capabilities it is honestly such an honor to share their art with the world. We hope that you are just as amazed by the images awaiting you inside as we were curating issue 19 of Nude Magazine for all of you.

Until next time!  
ESHA

"Best nude-art book I have ever seen! The image quality, the composition, the models, the book binding and print, the spectacular locations. Outstanding job! wow!"

A woman with long dark hair, seen from behind, is walking away on a narrow concrete walkway in a large, abandoned, circular building. The walkway is flanked by low concrete walls and metal railings. The building's interior is made of concrete and steel, with a curved ceiling and walls that show signs of decay and neglect. The lighting is dramatic, with strong shadows and highlights.
